**Re: Supplemental Letter to Amended Section 63.71 Application of Midwestern
Telecommunications, Inc. for Discontinuance of Telecommunications Services (WC
Docket No. 12-20)**

Dear Ms. Dortch:

This letter provides supplemental information in connection with Amended Application of Midwestern Telecommunications, Inc. ("MTI") for authority to discontinue its provision of telecommunications services, filed in WC Docket No. 12-20.

1. MTI does not offer service in the State of Oregon. Instead, as described on page 3 of the Amended Application, MTI's largest affected business customer is headquartered in Oregon, but that customer actually receives business line services from MTI in other states – Alabama, California, Florida, Georgia, Illinois, Indiana, Kentucky, Michigan, North Carolina, Ohio, and Wisconsin. Notification of the proposed discontinuance was sent to the Oregon headquarters location.
2. MTI confirms that it intends to discontinue business line services in Indiana and Michigan on April 18, 2012.

Should you have any questions, please do not hesitate to contact the undersigned.

Respectfully submitted,

John T. Nakahata
Darrah S. Franklin

Counsel to Midwestern Telecommunications, Inc.
